Text 102

05.00-21.00 Scooby-Doo Weekender. A classic weekend for all lovers of the cowardly Great Dane. Two whole days of Scooby and the gang solving mysteries and celebrating in the only way they know how - Scooby snacks. With 32 hours of Scooby madness, fans are in for a treat of their own. Every cartoon is included, with spin-offs such as *'Scooby's All-Star Laff-A-Lympics'* to enjoy, as well as the more well-known *'Scooby-Doo, Where are You?'* and *'The New Scooby-Doo Mysteries'*. All the gang are here to entertain you in this Scoob-athon. With ever faithful sidekick Shaggy, Scooby will be helped by Fred, Velma and Daphne as they foil villains and wrong-doers at every turn. The usual backdrops will be there as the Mystery Machine turns up at haunted houses all over the country and the gang are drawn into supposedly supernatural goings on. With barrels of laughter along the way, rest assured, the villians will always be outdone by 'those pesky kids and that dog'
